The color trend continued well into the 1960s with the emergence of muscle cars. These cars have always been more about performance than pragmatism, lending themselves as better canvases for brightly colored paints. The color trend came to a quick halt during the fuel shortage of the 1970s. During this time, car owners became more concerned ...

My close friend, Susan Delgado, who was the Expedition Manager for National Wildlife Federation, suggested I look into attending the Educational Travel Conference. My first attendance was in Washington, D.C., which helped me solidify my decision of developing an environmental education travel company@Environmental Adventure Company.
