The diatonic harmonica is arguably the most common type available, and certainly the cheapest. It's tuned to a specific key, which can't be changed. Most diatonic harmonicas are tuned to the key of C. Types of diatonic harmonica include the "blues harmonica," the "tremolo harmonica," and the "octave harmonica."

Blues songs are popular for their slow, melancholy feel and expressive lyrics. Think of an emotional theme for your blues song, like heartache, depression, or loneliness. Use 4-line verses where the 2nd line repeats the first for a classic blues structure. Make your 4th line rhyme with the first 2 if you can, but this isn't necessary.

Slide guitar is a technique for playing the guitar that is often used in blues music. It involves playing a guitar while holding a hard object (a slide) against the strings, creating the opportunity for glissando effects and deep vibratos that reflect characteristics of the human singing voice. It typically involves playing the guitar in the traditional position (flat against the body) with ...
