The Porsche 928 is a luxury grand tourer produced by Porsche AG of Germany from 1978 to 1995. Originally intended to replace the company's iconic 911, the 928 combined the power, poise, and handling of a sports car with the refinement, comfort, and equipment of a luxury sedan. The 928 became the top of the line production car sold by Porsche. Porsche executives believed such a flagship would ...
