Real people with normal tools can build an E.R.A. 427 kit in about 100 hours, excluding the paint and body preparation. To demonstrate this ease of assembly, we put together an unpainted 427 kit at an American Automobile Club convention in California in 35 man-hours. If you have any experience in normal automobile service, putting our kit ...

The Cadillac Escalade is a full-size luxury SUV engineered and manufactured by General Motors. It was Cadillac's first major entry into the SUV market. The Escalade was introduced for the 1999 model year in response to competition from the Mercedes-Benz M-Class, Range Rover and Lexus LX as well as Ford's 1998 release of the Lincoln Navigator. The Escalade project went into production only ten months after its announcement.
