Strategic human resource management and strategic change are tightly interconnected.

“ Changes in policies, process, products, markets, culture, or mission depend on HR on many levels. New approaches often require new ways of thinking about compensation and rewards, for instance, ”

Realized Strategy. A realized strategy is the strategy that an organization actually follows. Realized strategies are a product of a firm ' s intended strategy (i.e., what the firm planned to do), the firm ' s deliberate strategy (i.e., the parts of the intended strategy that the firm continues to pursue over time),
