The Daewoo Leganza was the Korean brand's shot at a midsize sedan to compete with industry titans like the Honda Accord and Toyota Camry. It never got much love in the U.S. since the Daewoo brand never really took off here. This one is a good option if you'd like a practical sedan that doesn't quite blend in with the crowd.

Such an amazing service from them! They picked up my car the next day and repaired it at a really good price. They are very professional and have superb customer relations. They talked me through what they were going to do and what they would charge and I felt that I was in safe hands. They delivered. Highly recommended. Read more. K.M. London
