Malice is the first book that I've read of John Gwynne and it won't be the last. I'm already looking forward to reading Valor! I'm hoping I will get a bit more information on the Elementals with the upcoming books. I really enjoyed that aspect in Malice and I'm looking forward to finding out how they work and who can tap into

In linguistics, cognates, also called lexical cognates, are words that have a common etymological origin. Cognates are often inherited from a shared parent language, but they may also involve borrowings from some other language. For example, the English words dish, disk and desk, the German word Tisch ("table"), and the Latin word discus ("disk") are cognates because they all come from Ancient ...
