I reached out to my contact at SMI and he said that for both the RV and your 2017 Chevy Silverado you're looking at a total install time of around 5 to 6 hours for the Air Force One Braking System # SM99243. I have attached an installation video on the 2017 Silverado that you can use for reference along with the written manual. view full answer...

After 7,000 miles towing manual tranny Honda Fit, it works great with no problems. Extremely easy to use, just connect cables to MH and flip on power switch in car. Nothing else to do. I installed this myself using the etrailer installation video, which was excellent and easy to follow. Highly recommend. 943258
