The history of slavery spans many cultures, nationalities, and religions from ancient times to the present day. However, the social, economic, and legal positions of slaves have differed vastly in different systems of slavery in different times and places. Slavery occurs relatively rarely among hunter-gatherer populations because it develops under conditions of social stratification.

Ricardo's book, *On the Principles of Political Economy and Taxation*, was first published in 1817 (London: John Murray, Albemarle-Street), with second and third editions in quick succession. We present Ricardo's final revision, the third edition, published in 1821, here. The three different editions encompassed several substantive changes in the development of Ricardo's ideas.
