Miller & Levine . \$38+ Miller & Levine is a public school biology curriculum. There is a student textbook, teacher guide, lab manual, and student workbook available. There are not very many high school level secular homeschool curriculum science options, so I branched out to a traditional textbook for my daughter.

To help support everyone during Covid-19, Springer has released a ton of free textbooks. This is great, but their web page for this is not super friendly, and expects you to download some Excel sheet to figure out what they have on offer.. This web page hopes to make it easier to access all this knowledge.
