The list below identifies California schools with MFT programs which have been evaluated by the Board. At the time of evaluation, these programs were found to meet the LMFT licensure requirements, pursuant to California Business and Professions Code (BPC) §4980.36, for students who began graduate studies on or after August 1, 2012. Since schools occasionally change program curriculum and ...

All states require marriage and family therapists to be licensed. Licensure requires a master's degree and 2,000 to 4,000 hours of postdegree supervised clinical experience, sometimes referred to as an internship or residency. In addition, therapists must pass a state-recognized exam and complete annual continuing education classes.
