It's the first full-sized PEN model since the PEN-F, released in January 2016, but it appears to be more affordable and less prestige-focused than the E-Px models. It still includes a PEN-F-style switch on the front of the camera for selecting color modes and filters but no longer includes a built-in viewfinder, making it more comparable to the original E-P's 1 – 5.

Ricoh GRIII. The Ricoh GRIII is an obvious choice for any film shooter whose preferred film camera is a compact point-and-shoot. It ' s a strong digital stand-in for the premium point-and-shoots from Contax, or the ever-popular compact cameras from Olympus and Yashica. And of course the Ricoh GRIII is the perfect digital camera for anyone who lives and dies by the earlier Ricoh GR1 film cameras.
