James Version is a translation named after King James I of England who commissioned the new English Bible translation in 1604 A.D. King James 'authorized' the new translation to be read in churches in England and beyond after it was first published in 1611 A.D. Later known as the 'Authorized Version' in 1814, the King James Version became a standard among English ...

From this he endeavours to show that the term first-born is inapplicable except to a person who has brothers, just as he is called only begotten who is the only son of his parents.

12. Our position is this: Every only begotten son is a first-born son, but not every first-born is an only begotten.

but let me give you my summation of all of them. In the Old Testament, the firstborn son was the one who normally received a double inheritance, and was the one who would inherit his father's role as head of the family. God sometimes reversed this order, as he did with Jacob and Esau (Genesis 25:21-26), and as Jacob later did with Ephraim ...
