In some sense, in process seems to make logical sense, as does in progress, but it is comparatively rare to hear anyone use this term in speech or writing. This chart shows the relative usage of in process vs. in progress across all English-speaking communities since 1800. This isn ' t a scientific graph, since it only looks at books published in English since 1800, but it still clearly ...

Due process is the legal requirement that the state must respect all legal rights that are owed to a person. Due process balances the power of law of the land and protects the individual person from it. When a government harms a person without following the exact course of the law, this constitutes a due process violation, which offends the rule of law. ...
