Body-snatching has never been so heartwarming . . . The Humans is a funny, compulsively readable novel about alien abduction, mathematics, and that most interesting subject of all: ourselves. Combine Douglas Adams's irreverent take on life, the universe, and everything with a genuinely moving love story, and you have some idea of the humor, originality, and poignancy of Mat

This is a pretty tough puzzle, so if you couldn't solve it completely, even with the help of the Hint, then don't feel too bad. However, it's a useful one to work through because it reveals one of the basic strategies of problem solving, namely, breaking a problem down into simpler versions and working back up to the full problem.

This game will test your problem solving abilities, as you try to solve 25 word puzzles. Each puzzle has the letters for the word located somewhere on the 7 x 11 grid board. Each letter is contained in a block which when pushed by your man, (Alpha Man), will slide in that direction until it either hits the side of the grid board or another block.
