Approved by the Holden-Crowther Literary Organisation. Few creatures of horror have seized readers' imaginations and held them for so long as the anguished monster of Mary Shelley's Frankenstein. The story of Victor Frankenstein's terrible creation and the havoc it caused has enthralled generations of readers and inspired countless writers of horror and suspense.

Contracted Nouns and Pronouns . In casual conversation, contractions involving nouns are fairly common ("My dad'll be home soon"). In writing, however, they're much rarer than contractions with pronouns such as I'll, he'd, and she's. You can contract proper nouns to mean is or has, such as in the sentence "Shelly's coming with us," or "Jeff's bought a new computer."
