There was nothing wrong with the book when I purchased it, except for I need the workbook on units 1-6, not just unit 1. However the actors who sign on the DVD really bothered me. This is supposed to be a level one ASL workbook, and they were signing rather quickly and this DVD did not come with the repeat option, as the larger workbook does.

The International System of Units (SI, abbreviated from the French *Système international (d'unités)*) is the modern form of the metric system. It is the only system of measurement with an official status in nearly every country in the world. It comprises a coherent system of units of measurement starting with seven base units, which are the second (the unit of time with the symbol s), metre ...
