An electronic book, also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent. E-books can be read on dedicated e-reader devices ...

The further expressions, if there be any virtue and if there be any praise (aught to be praised), bring in every conceivable form and instance of moral excellence. Virtue —the ruling category of heathen ethics—figures only in this passage of St. Paul: the Apostle is seeking common ethical ground as between the Church and Gentile society.
