Prophecy: In a broad sense, is the prediction of future events. The etymology of the word is ultimately Greek, from pro-"before" plus the root of phanai "speak", i. e. "speaking before" or "foretelling", but prophecy often implies the involvement of supernatural phenomena, whether it is communication with a deity, the reading of magical signs ...

In Myers and Briggs' theory, personality types are described in terms of four-letter codes, like ESTJ or INFP. Each of the four letters signifies a key aspect of an individual's personality. Myers and Briggs' theory of personality types tells us that seemingly random variations in people's behavior are actually quite predictable, as they are due to basic differences in the ways individuals ...
