With a constitutional principle of official secularism, the Turkish government has traditionally banned women who wear headscarves from working in the public sector. The ban applies to teachers, lawyers, parliamentarians, and others working on state premises. The ban on headscarves in the civil service and educational and political institutions was expanded to cover non-state institutions.

[Headscarf rights in Turkey - Wikipedia](#)

Turkey's strong secularism has resulted in what have been perceived by some as strictures on the freedom of religion; for example, the headscarf has long been prohibited in public universities, and a constitutional amendment passed in February 2008 that permitted women to wear it on university campuses sparked considerable controversy. In ...
