Bats will most likely land somewhere they can hang—behind curtains or upholstered furniture, on hanging clothes or in house plants. Carefully place a plastic tub or similar container over them. G of cardboard or stiff paper under the container, trapping the bat inside. Now you are ready to release the bat outdoors.

Describing my house: Let's have a look to my house. I'm going to write about my house. There are two floors in my house. Downstairs, there are five rooms in this floor, there is a hall, and a dining room. On the left there is a living room, and on the right there are is the bathroom and the kitchen, but In the bathroom there isn't any a shower.. Now, let's have a look upstairs.
