Yoni eggs typically come in three sizes - small (25x35mm), medium (30x43mm) and large (35x50mm). Despite what you might assume, the size you use has little to do with the size of your vagina and more to do with the strength of your vaginal muscles.. Although you might be tempted to start with a smaller egg because it is less daunting, it is actually more beneficial for beginners to start with ...
