The Buddha, on the other hand, did not accept that these texts had any divine authority or value. The Buddha also did not see the Brahmanical rites and practices as useful for spiritual advancement. For example, in the Udāna, the Buddha points out that ritual bathing does not lead to purity, only "truth and morality" lead to purity.

Buddha was not as chubby as many depictions of him would make it appear. He was portrayed this way as it symbolizes happiness in many countries in the east. In fact, Buddha is believed to practice moderation in all things - he fasted regularly, and spent most of his time walking miles teaching and preaching.
